

Make the most of time spent outdoors with these powerful, family-sized barbecues. Featuring durable stainless steel tube burners and a non-stick, enamelled cooking surface, the 3 Series Classic makes cooking al fresco family meals a breeze. Offering consistent and Even-Temp™ performance time after time, the 3 Series Classic barbecues can even be upgraded with the new Culinary Modular System for additional cooking options. Cleaning is equally quick and simple thanks to the new, patent pending Campingaz InstaClean™ System.
