

Thank you for purchasing your appliance from CROSSCRAFT which includes a MAPFRE Middlesea Extended Cover.

This booklet contains vital information regarding the cover you just purchased, so please keep it in a safe place.

You will need to present it each time you claim for covered repairs to be performed on your appliances. The MAPFRE Middlesea Extended Cover starts when the original manufacturer's 2 year warranty ends.

You can now relax in the knowledge that you are protected against most unforeseen repair expenses for the full duration of your MAPFRE Middlesea Extended Cover.

IMPORTANT

Your MAPFRE Middlesea Extended Cover provides cover from the end of the second year up to the end of the fifth year following the purchase date or the technician's installation or the commissioning certificate in case of built in appliances, depending on your case. Independently of whether the relevant CROSSCRAFT outlet or reseller is still in operation your MAPFRE Middlesea Extended Cover will still be valid subject to the policy still being active.

We encourage you to read carefully the terms and conditions contained in both the manufacturer's instruction booklet and this document and keep them in a safe place.
