Step by step guidance

Unleash your inner chef and dare to cook a variety of meals that are tasty and healthy. The NutriU App will guide you every step of the way so that you can make homemade meals that you and your family love, every day.

Select, set & relax

Choose a recipe, send it to the Airfryer, and monitor the progress of your cooking – from the comfort of your couch. When your dish is done, you will receive an alert.

Amazon Alexa compatible

Voice control enabled, compatible with Amazon Alexa.

Rapid Air technology

Rapid Air Technology, with its unique “starfish” design, swirls hot air to create delicious foods that are crispy on the outside and tender on the inside, with little to no added oil.

Air is the new oil

The Philips Essential Airfryer uses hot air to cook your favorite foods to crispy perfection, with up to 90% less fat***.

The No.1 low-fat fryer****

Philips is the world's leading low-fat fryer brand****. Our team of experts have been perfecting the Airfryer technology for over 10 years.

XL Size. For the whole family

The Philips Airfryer XL is designed with your family in mind. The 1.2Kg capacity basket, combined with the 6.2L pan, help you cook a variety of meals. Make up to 5 meal portions in one go for your family and friends.
