Description for Onlineshops / Catalogue

The practical and stylish companion for on the road!

Whether for pouring tea and instant dishes or for the preparation of baby food on the way - the practical mini travel kettle WK 3647 is ideal for camping trips, hotels and trips thanks to its compact size and the switchable voltage of 115/230 volts.

Thanks to the 1-hand operation and the frontal water level indicator, the kettle can be operated safely and comfortably.

The high-quality stainless steel design is not only a real eye-catcher visually, but also guarantees a harmless enjoyment by the use of 100% BPA-free materials.

And so that you can enjoy your hot drinks relaxed, the set features two secure and easily transportable plastic cups with two matching spoons.
