BT5522/15

## Advanced precision

### Ultimate control for beard and hair

The Philips Norelco Beard Trimmer 5500 is a premium beard and stubble trimmer which also cuts hair. Designed for an even trim from any angle and features 40 adjustable lengths. DualCut steel blades and 120 minutes of Lithium Ion run time.

#### Even trimming results

- Trims evenly and captures low-lying hairs
- Self-sharpening blades for zero maintenance
- The precise beard trimmer for perfect edges

#### Precise styling

- Adjusts to different length settings
- A precision step to match every beard
- Extra adjustable hair combs

#### Easy to use

- Lights indicate when battery is low, empty, full or charging
- Easy but thorough cleaning
- Warranty for purchase protection
- 120 min runtime after a 1 hour charge, or plug it in

# Highlights

## Lift & Trim PRO system

Stubble doesn't stand a chance. The Lift&Trim Pro system captures all your low-lying hairs and lifts them up toward the blades for a precise cut – whilst still being an ideal trimmer for long beards too.

## Self-sharpening metal blades

Suitable for even the thickest hair, the double-sharpened blades guarantee precision edges and superior trimming every time. No oil or replacement blades required.

## 40 lock-in length settings

Cut to the exact length you're after. Just spin the precision dial to one of 40 length settings between 0.4-10 mm in 0.2mm increments.

## Customizable precision

Personalise your grooming routine with precise styling steps to suit every beard. There are 0.2mm steps between 0.4-2mm for short beard styling, 0.5mm steps between 2-5mm to achieve an even 3-day beard 1mm steps above 5mm for long beard maintenance.

## Precision trimmer

Add extra definition to the details, even in hard to reach areas, with the click-on precision trimmer.

## 100% waterproof

The 100% waterproof beard trimmer, simply rinse it under the tap for a thorough, easy clean.

## Battery indicators

The battery indicators in this trimmer let you know what your battery status is: Low, empty, charging or full. This way, you can charge your trimmer on time and fully, so you won't end up with an empty battery in the middle of your trim.

## Built to last

All of our grooming products are built to last. They come with a 2 year warranty, never need to be oiled and are compatible with any voltage worldwide.

## 120 min Li-ion power

The advanced Li-ion battery provides 120 minutes of powerful, cordless use after 1 hour charge. You can also use your trimmer plugged in or use the quick-charge function to get one full trim after just 5 minutes charge.

## Extra adjustable hair combs

The trimmer comes with 2 adjustable hair combs: from 0.4 to 10 mm, and from 10.4 to 20mm
