

SMP9010CNEIXL

90CM INDUCTION COOKTOP

FEATURES & BENEFITS

INDUCTION TECHNOLOGY

Faster, energy efficient cooking. Induction technology heats the pan, not the hob, reducing energy dispersion by 10%, and providing perfect cooking results.

IXELIUM

Longer lasting shine. The revolutionary iXelium treatment protects your hob from scratches and corrosion, ensuring a perfect shine, always. And, it's easy to clean: all you need it water and a soft cloth.

FLEXIFULL

Cook anywhere on the completely flexible surface with pans of all shapes and sizes.

63 COOKING COMBINATIONS

Explore 63 delicious combinations of recipes and cooking methods, so you never run out of mouthwatering dishes to enjoy.

SMART GRILLING

The Grill function is designed to cook your grilled dishes to perfection, thanks to a special heat detector that constantly monitors the cooking temperature.

SMART FRYING

The Fry function allows you to enjoy delicious, crispy fried dishes, thanks to a special heat detector which constantly monitors the cooking temperature.

WARRANTY

Guarantees peace of mind and value for money knowing that any product fault or defect is covered by full replacement parts and/or a service call to ensure the product works as described.
