# Highlights

## 3-in-1 cleaning solution

Easily switch between Vacuum&Wash, Vacuum only and Handheld setup, depending on the surface and cleaning need.

## Vacuum&Wash in one go

Cleans wet and dry dirt in one go, while leaving a perfectly mopped floor. No need to vacuum first.

## Vacuum only & Handheld setups

The vacuum only setup can be used when wet cleaning is not needed; for cleaning carpets, rugs or quick in-between touch-ups. The Handheld setup comes with 2 accessories for cleaning upholstery, furniture, on top of plinths and into ceiling corners.

## Patented high speed brushes

The AquaSpin 4000 RPM nozzle cleans more dust, dirt, stains and liquid messes.\*\*

## Hygienic Auto-Clean

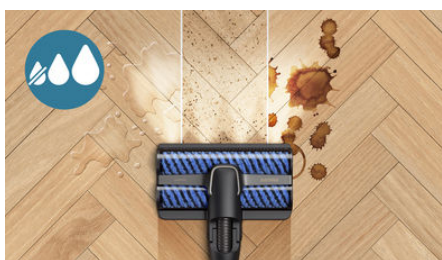

Automatically cleans the device of moist, dirt and bacteria after every use. No manual cleaning and always ready to use.

## Always clean with fresh water

PowerCyclone Aqua efficiently separates and locks dirt and dirty water, enabling a constant flow of fresh water running through the brushes and on the floor.

## 3 dedicated cleaning modes

The Absorption, Normal & Intensive Settings are tailored to tackle any type of dirt and liquid mess effectively.

## Dual brush to clean more dirt

Cleans in both the forward and backward stroke, to pick up more wet and dry dirt.\* Make every move count.

## High performance cleaning

Covers up to 285m<sup>2</sup> on a single battery charge, without compromising on cleaning power and results.\*\*
