

#### Up to 95% of vitamins preserved with GreenZone technology.\*

The 700 GreenZone Fridge Freezer has a sealed drawer where humidity is kept at a balanced level by managing excess condensation, which helps to prevent food spoilage. This preserves up to 95% of vitamins by protecting produce with the right amount of humidity.\*

\*Vitamin preservation rate based on external test on vitamin C retention in blueberries after 11 days in GreenZone compartment.

### Product Benefits & Features

#### Up to 95% vitamins preserved with GreenZone technology.\*

GreenZone is the ideal storage drawer, it eliminates excess humidity while preserving the right amount of moisture for your veggies. This preserves up to 95% of vitamins after 11 days, by protecting produce with the right amount of humidity.\*

\*Vitamin preservation rate based on external test on vitamin C retention in blueberries after 11 days in GreenZone compartment.

#### A game changer – unique fridge-freezer with recycled plastic

We're proudly introducing our unique fridge-freezer with an inner lining made of 70% recycled plastic. Plastic from discarded fridges is used to make new ones, helping reduce waste through circularity.

\*Inner liner rHIPS made with up to 70% recycled plastic representing 13% of total fridge plastic"

#### 45% bigger capacity than standard\*

Thanks to MaxiSpace, you get 45% more capacity than a standard Fridge Freezer.\* It's taller and wider than regular refrigerators, offering plenty of space for numerous items.

\*Compared to own standard size fridge freezer

#### Precise temperature stability with TwinTech® No Frost Plus

TwinTech® No Frost Plus protects the flavour of food. With temperature stability over 4 times better than standard\* and up to 9% better energy performance,\*\* you'll get the most from your ingredients while saving energy.

#### Consistently cool, with DynamicAir

DynamicAir makes sure that the environment inside your fridge is kept at a stable temperature. It works by circulating cool air throughout, meaning that even when the door is opened, your food is protected from heating up.

- Energy efficiency class: E
- For fully integrated, slide door installation
- Net capacity freezing compartment: 87 l
- Net capacity refrigeration compartment: 284 l
- Automatic defrosting of the freezer compartment
- Automatic defrosting of the cooling compartment
- Fan air circulation for even temperature throughout the fridge
- Shopping function quickly assures the desired refrigeration temperature
- Fast Freeze function with auto return to normal settings
- Audible and visible warning signal for open door
- Refrigerator lighting: Luna – 1 top and 2 sides
- Refrigerator shelves: 3 Full Width, White Plastic and 1 Flat Bottle Rack
- Egg tray: 2 for 6 eggs
- Freezer drawers: 3 Full Width, Frosted
- Special refrigerator drawers: White Plastic
- Special rack for cooling bottles
- Door hinges placement: Right & Reversible
- 1894 mm built-in height
- Fridge freezer colour/design: White
