

TouchOpen for quick and easy access

The 800 TouchOpen Microwave with soft touch mechanism is the easiest way to access your food. With one action, the door opens quickly and smoothly, for seamless convenience.

Product Benefits & Features
Grill for versatile meals

Enjoy bubbling mozzarella toasties and succulent grilled chicken in our microwave. The additional grill function means that you can enjoy your favourite dishes – fast.

TouchOpen for easy access

Our microwave with TouchOpen design gives you easy access to your food. The door opens seamlessly at the touch of a button, thanks to the specially designed soft mechanism. In one smooth movement you can enjoy quick access to dishes.

A microwave ReTurntable that remembers where it started

We've designed this microwave oven so that dishes are always in the ideal position. This is because the door unlocks when the ReTurntable returns to where it started. No cup handles facing the wrong way, no hot plates in awkward positions. Just effortless access, every time.
