

#### Natural drying with fresh air

Our 300 AirDry Dishwasher finishes each cycle with a breath of fresh air, performing 3x better than closed-door systems. The door opens automatically during the drying phase using fresh air to get plates and cutlery completely dry.

### Product Benefits & Features

#### 3x better drying with AirDry

The new AirDry technology uses natural airflow to finish drying, for up to 3x better performance compared to closed-door systems. The door opens 10 cm towards the end of the cycle, letting air circulate for superb drying results.

#### AutoSense, the smart selection

Enjoy a fully-customised dishwasher cycle, every time, with the AutoSense programme. Smart sensors automatically adjust the time, temperature and water usage depending on how much cleaning each load needs. It's efficient washing for the best results.

#### Easy installation, PerfectFit

With PerfectFit Sliding Hinges, it's never been easier to install your new dishwasher. The hinges accommodate all niche machine heights and even remove the need to cut the plinth. You can be confident that your machine will fit into your kitchen perfectly.
