

Grill and microwave for quick results

The 600 microwave and grill is the quick and easy way to cook most of your favourite foods. As well as being able to do all the things you would expect from a traditional microwave, the added grill function means you have more kitchen versatility.

Product Benefits & Features

Quick, even reheating results

Trust your favourite dishes will be reheated evenly throughout with the microwave oven and its XL turntable. With its generous size, meals for sharing are cooked to perfection, with no manual turning needed.

Thaw your food quickly with our defrost function

Your frozen food is ready quickly, thanks to the microwave's defrost function. Select the defrost function and it will start to thaw your dish, while maintaining both the flavour and the texture.

Enjoy the EXPlore LED display with responsive touch buttons

Explore a new way to experience your oven with the EXPlore LED Display and its responsive touch buttons. The vibrant interface gives you quick access and dynamic control of cooking time, temperature, and other features.

Extra large, 42L capacity

The extra large capacity microwave has a 42L capacity, compared to standard 26L models. The increased size welcomes larger dishes – even casseroles or lasagne. Food for the whole family, cooked at once.

Grill for golden results

From crisped bacon to bubbling mozzarella, get more out of your grill than ever before. Perfect for crispy chicken wings and melt in your mouth halloumi.
