

**Grill and microwave for quick results**

Our 600 Grill Microwave is the quick and easy way to cook most of your favourite foods. As well as being able to do all the things you would expect from a traditional microwave, the added grill function means you have more kitchen versatility.

Product Benefits & Features**Grill for versatile meals**

Enjoy bubbling mozzarella toasties and succulent grilled chicken in our microwave. The additional grill function means that you can enjoy your favourite dishes – fast.

**Microwave - your kitchen shortcut**

The microwave function is your shortcut to quick and delicious meals. At the touch of a button, you can melt chocolate, defrost your favourite casserole or re-heat leftovers, fast. It's the quick and easy way to create tasty meals.

**Safety first with Child Lock**

Enjoy peace of mind with our Child Lock feature. It lets you lock the control panel of the oven, so it can't be used accidentally. Meaning little fingers are kept safe and sound.

**Thaw your food quickly with our defrost function**

Your frozen food is ready quickly, thanks to the microwave's defrost function. After you've selected the food type and weight, the microwave automatically calculates the time it will take. It then starts to thaw your dish while maintaining both the flavour and texture.
