

Merge zones for more room to cook with the Bridge Function

The 600 Bridge Induction Hob lets you combine two separate cooking zones to create one large surface. With the temperature and time settings automatically aligned, it's ideal for making the most of planchas or roasting pots.

Product Benefits & Features

Merge zones for more room to cook with the Bridge function

The Bridge function lets you combine two separate cooking zones to create a single large surface. With the temperature and time settings automatically aligned, it's ideal for making the most of planchas or roasting pots.

Tailored to the size of your pans with Infinite self-sizing zones

The Infinite self-sizing cooking zones adapt to the size of your pans as soon as they are covered. The zones offer total coverage, whatever the size of your pot, delivering heat with no performance loss. Enjoy accurate and efficient cooking with our self-sizing zones.

This induction hob runs great even on a Limited Power supply

Thankfully your induction hob will keep running at its best, even if you only have a Limited Power supply available.

Hob2Hood® for pure convenience

The Hob2Hood® function wirelessly connects your hob to your hood. Start cooking, and the hood will automatically adjust the settings, providing the best extraction based on the power selected on the hob. It does the hard work for you.

Direct Access, immediate control

The Direct Access controls let you instantly adjust heat settings on your hob. You only need to tap once to set the temperature. For instant, effortless hob control.

- Hob type: Induction
- Hob with bevelled frame
- Direct Access: sliding touch control technology
- Controls position: Front Right
- Illuminated controls
- Digital indications for each zone
- Induction zones with power booster function
- Pot detection
- Left front zone: Induction, 2300/3200W/210mm
- Left rear zone: Induction, 2300/3200W/210mm
- Middle front zone: No, 0W/0mm
- Middle rear zone: No, 0W/0mm
- Right front zone: Induction, 1400/2500W/145mm
- Right rear zone: Induction, 1800/2800W/180mm
- Automatic fast heating up
- Key-lock function
- Child safety lock function
- Acoustic signal with switch off option
- CountUp Timer
- EcoTimer™
- Timer function
- CleverHeat™ function
- Easy installation thanks to snap-in system
- Main colour: Black
