

Powerful and adaptable – ready to clean any surface

The 600 Cordless cleaner is designed to effortlessly clean all surfaces and upholstery for spotless results. It has a high dust pick up rate and quick-release functions for easy transition between tasks.

Product Benefits & Features
Powerful suction. Spotless results

With a long-lasting DC motor and its unique bristles, the PowerPro multi-surface nozzle delivers spotless dust pick-up – up to 99%* on hard floors with one double stroke on fine dust. Complete clean every sweep.

Based on internal tests according to IEC 62885-4.

Vacuum for longer without changing the filter

The improved cyclonic separator minimises filter clogging, resulting in sustained optimal performance. Get up to 2 times* longer suction performance before you need to change the filter.

Measured versus previous 600 Cordless cleaner with dust container loaded with DMT (standard test) dust, according to IEC 62885-4

Up to 50 minutes of cleaning – one single charge

With up to 50 minutes* of non-stop vacuuming with the hand unit, you can clean more areas in one go. The high-quality 6-cell battery ensures uninterrupted cleaning across all surfaces.

*Based on internal tests according to IEC 62885-4 measuring run time using hand-unit on min mode.

Quick dust bin emptying – no contact with dust

Easily empty the 0.6-litre dustbin with just one touch of a button – no dust clouds and no mess. The bottom release of dust makes disposal simple and quick for a clean, fresh home with minimal effort.

Quickly adapts to your cleaning needs

Easily switch between cleaning tasks with the quick-release hand unit and foot-release nozzle, adapting smoothly to any surface. Store and charge your cleaner with the wall mount or floor stand, keeping spaces neat and tidy.

- Quick release brush roll
- Li-Ion Battery - longer run time and a higher cleaning performance
