

Air fry and steam for healthier, tastier meals in less time.

Unlock endless possibilities with the 800 Steam Air Fryer's 4-in-1 versatility. Whether you're air frying, steaming, combining both, or dehydrating, only your imagination sets the limits. Be inspired to create a variety of healthy, flavourful meals in less time.

Product Benefits & Features

Fry food with up to 90% less fat and up to 50% less calories.*

The 800 Steam Air Fryer offers a healthier way to enjoy your favourite fried dishes. Hot air is circulated to heat ingredients from all angles, for a natural, crispy finish.

*Compared to deep-frying French fries. Analysis done by accredited laboratory (ISO/IEC 17025:2017).

Healthier meals with steam cooking

Cooking with steam can preserve up to 90% vitamin C* – and allows you to effortlessly prepare your favourite foods with optimal flavour and texture every time.

*Test done on raw broccoli and steamed broccoli. Analysis done by accredited laboratory (ISO/IEC 17025:2017).

Dehydrate function to create healthy and delicious snacks

Make your favourite snacks or preserve food quickly and easily with the Dehydrate function. Dried apple slices or berries make a tasty on-the-go snack – or dry mushrooms to add to stews and sauces later. A healthy way to preserve food.

Skip the guesswork with pre-set cooking functions

The 800 Steam Air Fryer features 10 pre-set cooking methods that simplify frying, steaming, baking and dehydrating your favourite foods. Pre-set recipes automatically adjust time and temperature, or manually adjust them to your preferences. The Shake Reminder automatically signals when to flip your

Easy to clean and dishwasher-safe

The 800 Steam Air Fryer has a non-stick coating to allow for a quick and easy clean-up after cooking your meal. Wash by hand or simply put the detachable parts in the dishwasher.
