***Survey among Kitchen+ users, 6000 respondents, 2021.

*****Average percentages based on internal lab measurement with Philips Airfryers; cooking one chicken breast (AF setting 325F no preheat) or salmon filet (AF setting 400F, no preheat) vs. using an A class oven.

*****Average percentages based on internal lab measurement with Philips Airfryers; cooking one chicken breast (AF setting 160C no preheat) or salmon filet (AF setting 200C, no preheat) vs. using an A class oven.

Highlights

13 cooking methods in one

Air fry, bake, grill, roast and more. Set time and temperature manually or use the preset functions to unlock 13 different ways of cooking at your fingertips including reheating, defrosting and keep warm.

Save time and energy

Cook up to 50% faster & save up to 70% energy when cooking with Philips Airfryer instead of your oven.***

Perfectly-sized

The compact design is ideal for every kitchen large or small. Holds up to 500 g of fries, 6 chicken drumsticks or 600 g of vegetables in a 4.4-quart pan.

Up to 90% less fat

Cooking with hot air prepares your favorite dishes with up to 90% less fat without compromising on taste.

Quick and easy to clean

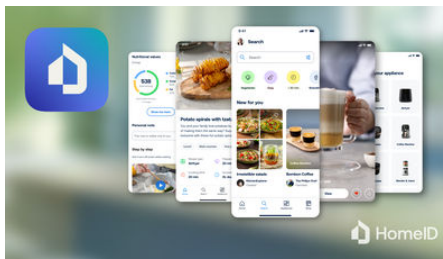

Save time on cleanup with our non-stick StarPlate that can be put in the dishwasher.

Touchscreen control

Easy-to-use touchscreen has 9 preset functions to choose from: frozen fries, fresh fries, chicken drumsticks, meat, fish, breakfast, vegetables, cake and keep warm.

Kitchen+ Recipe App

Discover thousands of free recipes and specific settings for your Air fryer. 93% of users say the Kitchen+ app makes cooking easier.**

Cooking window

No more guessing. Keep an eye on your food to watch while it cooks and see when it's done to perfection!

RapidAir technology

Crispy on the outside and tender on the inside, with little or no added oil. RapidAir technology with its unique Starfish design creates perfect air flow to cook quickly and tastily every time.
