Highlights

Brush for 90 days

Brush with the One for 90 days on a single AAA battery. That's three months of whiter, brighter smiling.

Good vibrations

Think of the One as a powered version of your manual toothbrush. Micro-vibrations and contoured bristles gently clean and polish your teeth at the touch of a button.

A colour for every style

From Miami to Midnight, Mango to Mint, choose the colour to match your style. You can mix and match the brush head with the handle and create your own colour combination.

Hassle-free Subscription

Maintaining your toothbrush should be easy. Subscribe to have replacement brush heads and a new battery automatically delivered to your home every 90 days. No worries, just great teeth.
