- Furniture nozzle 90mm designed to clean soft furnishings

**IEC Rated Input Power is the average power, while the device can get <800W at maximum

***Tested according to EN:60312-12017.

Highlights

Performing 800W motor

Enjoy great suction power thanks to the 800W motor. It effectively removes dust from hard floors and carpets, leaving your home feeling fresh and clean.

PowerCyclone 3

PowerCyclone 3 technology accelerates air in the cyclonic chamber and efficiently separates dust from the air, to maintain strong performance for longer.

Multi-purpose nozzle

Clean different kinds of floors effectively using the multi-purpose nozzle. Protect hard floors by using the brushes and then switch to the smooth soleplate when you're cleaning carpet.

No dust bags needed

No more dust bags. When you're finished vacuuming, tip out the dust directly into the bin. Our bagless design makes finishing up quick and easy.

Compact and lightweight

Save on valuable storage space with the compact and lightweight design. It's easy to tuck away into cupboards and wardrobes, and light enough to lift easily onto a shelf.

3-stage filtration

3-stage filtration system capture >99.9%* of particles with the washable motor filter. It ensures captured particles remain inside the dust container, keeping your living environment fresh and healthy.

Furniture nozzle 90mm

Furniture nozzle 90mm helps to clean soft furnishings like cushions, couches, and arm chairs, even removing pet hair

Specifications

General Specification

Cord length: 6 m
Primary Material: Plastic
Action radius: 8.5 m
Product Type: Bagless vacuum cleaner
Noise level (standard): 78 dB
Technology: PowerCyclone 3
Color: Deep Black & Coral Mood
Warranty: 2 years
EU declaration of conformity: Yes
Input power (IEC): 800W
Input power (max): 800W
Dust capacity: 1.3L
Motor Filter: Washable filter
Exhaust filter: HEPA
Tube coupling: Conical
Carrying handle: Top
Power control: No
Wheel type: Plastic
Tube type: Metal 2-piece telescopic
Accessory storage: No
Parking position: Horizontal

Technical Specifications

Voltage: 220-230 V
Frequency: 50-60 Hz

Design

Sustainable package: 100% recycled materials

Durability

User Manual: 100% recycled paper

Weight and Dimensions

Package Width: 455 mm
Package Length: 278 mm
Package Height: 360 mm
Product Width: 292 mm
Product Length: 342 mm
Product Height: 242 mm
Product Weight: 3,5 kg

Country of Origin

Produced In: China

Compatibility

Related Accessories 1: Relevant filter variant XV1210/01

Accessories

Standard nozzle: Multi-purpose nozzle
Included accessories: Crevice tool 2 in 1, Furniture nozzle 90mm
