BAR320/60

Highlights

Fresh is best.

Freshly ground beans give you the greatest coffee aroma.

Real espresso, real easy.

16-bar pressure pump releases full-on flavour from your beans.

Mood change? Switch your beans

Intense roast to kick start the day, medium roast whilst relaxing. Switch up your beans with our dual bean container.

Swipe. Brew. Enjoy.

Swipe the handle and let Baristina do the rest.

Take your best shot.

Espresso. Lungo. Extra intense. Your call.

Your little barista

Ideal grind size. Precise pressure. Accurate dosing. That's how real espresso is made. Grind size is not adjustable, so you don't have to worry about it – let Baristina handle it!

No more messing around.

Rinse the portafilter or wipe with a cloth to clean – no messy hidden compartments.

Tiny – yet mighty!

Compact enough for any kitchen counter, powerful enough for barista-style coffee.

Less waste. More taste.

Goes from beans to grounds, perfect for use as compost.

Freshly ground beans for the best coffee aroma., Baristina automatically grinds, tamps and brews., Mood change? Switch your beans with Bean swap., 16-bar pressure pump for full flavour extraction., Easy clean - no messy hidden compartments.
