Highlights

45g/min steam rate

With a continuous steam output of 45g/min, you can remove creases faster and more effectively.

190g steam boost

The steam boost provides extra power to tackle tough wrinkles in thicker fabrics, delivering up to 190g of steam for more efficient ironing.

OptimalTEMP

One optimal temperature setting for all ironable fabrics. For no burns, guaranteed. Thanks to OptimalTEMP technology, we guarantee this iron will never cause burns to any ironable fabric and you can iron everything from jeans to silk, from linen to cashmere safely, in any order, without waiting for the temperature to adjust or pre-sorting clothes

SteamGlide Plus soleplate

Smooth Gliding with SteamGlide Plus soleplate: Our special SteamGlide Plus soleplate glides effortlessly over any fabric. It is non-stick, scratch-resistant and easy to clean.

300ml water tank

Iron for longer with 300ml water tank: You can iron more clothes in one go with 300ml water thank. Also, you can refill it anytime.

4 steam settings

4 steam settings, including an ECO mode, ensure optimal ironing results for all fabrics while saving energy.

Auto shut-off

For your peace of mind, the steam iron automatically turns off after two minutes when left in horizontal position.

Calc-Clean

This iron operates with regular tap water and features a built-in Calc-Clean function to remove calcium buildup and limescale, ensuring optimal performance.

Drip stop technology

Drip stop technology prevents leaking from the soleplate while ironing.
